Security:

We will require the use of two dedicated and intensely loyal security persons to be stationed at the entrance to each of the two dressing rooms. Or do I mean one at each? Otherwise that would be four, and I think we only need two, *one* at each door.

Wait a minute, let's start again.

May we have two dedicated and intensely loyal security men, preferably built like brick shithouses, one for each of the doors leading to the two dressing rooms. Unless either of the dressing rooms has an extra door...

OK...

Please count the number of doorways leading in or out of the two dressing rooms that we are going to be using, then supply an unspecified number of security men, with the qualities mentioned above, the quantity of whom shall be exactly proportional to the number of said doors, adhering strictly to a ratio of 1:1. So probably two in total.

They need to be in position 1 hour prior to and 1 hour after the band's performance. And the band play for about one and a half hours. So that's about...ooh, let me see, three and a half hours altogether. Call it four just in case they do a particularly long version of one the songs. No entrance to these rooms during these times will be allowed without coordination of the tour manager. Let's hope he's got his co-ordination back by then.

Parking:

Artist parking area passes will be required for 5 cars - no tour bus parking is required - although some of those American limos are as long as a tour bus... And that one that Madonna rides around in has a lap dancer inn it! *Can you believe that?!?!?*

Notes:

2 large industrial fans to be provided by promoter on stage for use by the drummer. He's practicing that scarf thing that they used to do in Bon Jovi and Heart videos.

We will require the exclusive use of two dressing rooms for the entire day of our performance. Did I mention about the two dressing rooms before? I think I did. They should have the ability to be temperature regulated by the occupants with both heat and air-conditioning and have 120 volt electrical service in each. Which normally means a really iffy-looking wall socket that's already got three things plugged into it, one of which is the entire stage lighting rig. But let's hope this time it's different....

But if I see you, I would contact one of the following:
Henry McGroggan - H.C.M.W.-@freeserve.net
Vince D'Amico - V.Fitch@att.net and so on.

HELLO. THIS IS A LIST OF STUFF WE NEED FOR THE DAY OF OUR SHOW. IT'S NOT TOO COMPLICATED, BUT IF YOU'VE GOT ANY PROBLEMS, TALK TO US AND WE'LL RESOLVE THEM. I THINK YOU'LL FIND WE'RE VERY REASONABLE PEOPLE. EXCEPT ME.

1. CAN WE HAVE STRONG **COFFEE & TEA** WITH MILK SUGAR SPOONS ETC ALL DAY? YOU CAN PROVIDE A KETTLE OR A COFFEE MACHINE IF YOU LIKE, OTHERWISE I'M SURE THERE'S A STARBUCKS IN YOUR AREA. IF THERE ISN'T, THIS IS GOD TELLING YOU TO OPEN ONE.OH, AND SOME CUPS.
2. A BIT OF ASSORTED **FOOD** FOR THE CREW IS ALWAYS APPRECIATED, AT LUNCHTIME. LIKE A LOT OF PEOPLE WE LIKE TASTY FOOD THAT ISN'T FULL OF PESTICIDES AND MAD COW DISEASE. THICK VEGETARIAN SOUP IS A SAFE BET, WITH SOME SALADS AND FRESH BREAD: THAT TYPE OF THING. LOVELY. FOR ABOUT 4 OR 5 PEOPLE.
3. AT LOAD-OUT TIME, WHEN WE'RE GOING TO LEAVE WE LIKE TO BE SUPPLIED WITH **TWO ENORMOUS PIZZAS**, EITHER TO EAT, OR TO LEAVE ON THE BUS UNTIL WE FIND A TRUCKSTOP TRASHCAN WITH AN ENTRANCE ABOUT 2 INCHES ROUND. THEN WE DESPERATELY TRY TO FOLD THE ENORMOUS STUFF BOX SO THAT IT'S SMALL ENOUGH TO GO IN, WHICH IT NEVER IS, SO WE LEAVE IT ON THE SIDE WITH ALL COLD TOMATO PUREE AND STRINGY CHEESE DRIPPING OUT OF THE SIDE... ANYWAY... **ONE QUATTRO FORMAGGIO AND ONE HOT PEPPERONI**, OR IF THERE'S NO PIZZA AVAILABLE, SOME SANDWICHES OR SANDWICH MAKING INGREDIENTS. BREAD, CHEESE, SALAD, MAYBE A BIT OF HAM AND CHICKEN, AND SOME FRUIT, AND CHOCOLATE. YUM YUM, BUT HOPEFULLY NOT ONE OF THOSE SANDWICHES FROM SUBWAY WITH BEEF AND ALFALFA SPROUTS STICKING OUT. THAT LOOK LIKE A FLORIDA RETIREE'S BIKINI BOTTOMS. YUK.
4. **3 LITRES OF STILL WATER, 3 LITRES OF SPARKLING WATER, 12 BOTTLES OF NICE BEER, AND 1 LITRE OF FRUIT JUICE.**I PREFER GRAPEFRUIT.
5. **DINNER FOR TEN PEOPLE** SHOULD BE AVAILABLE, COOKED AT THE VENUE OR SUPPLIED BY A LOCAL RESTAURANT, EITHER AT THE RESTAURANT OR BROUGHT TO THE VENUE. WE NEED TO HAVE A SELECTION OF CHICKEN, FISH, AND VEGETARIAN. [ER... CALLING GERMANY ... VEGETARIAN MEANS 'DOES NOT HAVE ANY MEAT IN IT', THAT INCLUDES SAUSAGE, AND WHATEVER 'SPECK' IS.
6. **DINNER FOR IGGY AND TWO OTHER PEOPLE** SHOULD BE AVAILABLE AT THE VENUE OR AT A LOCAL RESTAURANT. LOCAL CUISINE IS ACCEPTABLE, OR STEAK/CHICKEN, ENDANGERED SPECIES [EXCLUDING MOTHS AND ANYTHING REALLY CUTE], SNAKE, WHALE, OR NURSE SHARK [WITH THE NURSE ON THE SIDE, JUST IN CASE, WELL WE MIGHT GET BITTEN.]

WE NEED TWO DRESSING ROOMS TO BE MADE AVAILABLE FOR OUR SOLE USE, VIZ.

DRESSING ROOM ONE.

IGGY POP.

YOU KNOW WHAT WOULD BE REALLY NICE? IF YOU COULD MAKE THIS ROOM LOOK LESS LIKE A TYPICAL ROCK & ROLL DRESSING ROOM AND MORE SORT OF... INTERESTING? ARE YOU WITH ME? JUST LET SOMEONE LOOSE WITH A LITTLE BIT OF ARTISTIC FLAIR... AND IT SHOULD CONTAIN:

A KETTLE OR WATER HEATING DEVICE OF SOME DESCRIPTION,

SOME FRESH GINGER, HONEY, LEMONS, AND A SHARP KNIFE.

[SO WE CAN MAKE GINGER, HONEY AND LEMON TEA. GOD KNOWS WHY]. AND SOME CHINESE GUNPOWDER TEA. SO WE CAN ATTEMPT TO BLOW UP THE DRESSING ROOM. THAT'S A JOKE BY THE WAY. GOOD JOB THIS ISN'T AN AIRPORT...

AN ENGLISH LANGUAGE NEWSPAPER.

LIKE THE NEW YORK TIMES, OR THE GUARDIAN OR THAT EDITION OF USA TODAY THAT'S GOT THE STORY ABOUT MORBIDLY OBESE PEOPLE IN IT. MOST AMUSING!

SOMEBODY DRESSED AS BOB HOPE

DOING FANTASTIC BOB HOPE IMPERSONATIONS AND TELLING ALL THOSE HILARIOUS BOB HOPE JOKES ABOUT GOLF AND HOLLYWOOD AND BING CROSBY. OH GOD, I WISH I'D BEEN ALIVE IN THOSE DAYS, SO BOB HOPE COULD HAVE COME AND ENTERTAINED ME BEFORE I WENT OFF AND GOT SHOT. WHAT JOY THEY MUST HAVE EXPERIENCED...

A BIG BUCKET OF ICE, OR A REFRIDGERATOR, CONTAINING:

2 LITRES GOOD QUALITY MINERAL WATER (STILL),

4 CANS OF RED BULL,

6 BOTTLES OF GROISCH OR DECENT LOCAL BEER,

SOME CUPS AND GLASSES.

2 BOTTLES OF SMOOTH, FULL-BODIED, BORDEAUX TYPE RED WINE,

PROBABLY FRENCH, AND SOMETHING WE'VE HEARD OF, BUT STILL CAN'T PRONOUNCE. LOOK, THERE'S FUCKING LOADS OF GOOD RED WINES. ASK THE MAN IN THE WINE SHOP. OR HERE'S A NUMBER OF SUGGESTIONS.

1st choice **MEDOC, St. EMILION, PAMEROL, or PAULLAC,** years '86, '89, '90

2nd choice **BAROLO or BARBARESCO '89 or '90**

4 LARGE, CLEAN TOWELS.

See? Not all that bad, is it?

There's another page though. Keep reading.

31 LARGE BOTTLES OF GOOD QUALITY SPARKLING WATER.**1X CASE OF BIG BOTTLES OF GOOD PREMIUM BEER.**

YOU DECIDE. BUT REMEMBER, I MIGHT ASK YOU TO TASTE A BOTTLE. SO BUY SOMETHING NICE!! HERE'S A CLUE - IT'S PROBABLY WON'T START WITH A LETTER "B" AND END WITH "UDWEISER"

6 CANS OF RED BULL OR SIMILAR.

[SOMETHING WITH TESTICLES IN IT. OR TESTICLES LITE.]

A BOTTLE OF VODKA

[DECENT STUFF, PLEASE. NOT MADE IN BLOODY ENGLAND. SOME OF PEOPLE SEEM TO ENJOY

THAT KETEL VODKA FROM HOLLAND; OUR SOUND MAN, HOWEVER, SAYS IT'S PISS.

NO ACCOUNTING FOR TASTE, THOUGH. SO A BOTTLE OF KETEL ONE, OR FAILING THAT, GREY GOOSE.

1 CASE OF COKE IN CANS**1 CASE OF CANS OF ASSORTED SODAS.**

GINGER BEER? DANDELION & BURDOCK? I DON'T KNOW. LEMONADE?

2 X 48oz BOTTLES OF OCEAN SPRAY CRANBERRY JUICE

BUT NO BLENDS PLEASE. NO ORANGE AND CRANBERRY, OR CRANBERRY AND TURKEY. CRANBERRY WITH EVEN MORE CRANBERRIES IS OK.

1X 48oz BOTTLES OF TROPICANA ORANGE JUICE

SOME KETTLE CHIPS OR CHIPS ARTESANALE OR HAND-MADE CHIPS OR DO YOU KNOW WHAT I MEAN? REAL, OLD FASHIONED, PROPER POTATO CHIPS. FROM A DIFFERENT KETTLE TO THE ONE THEY MADE THE VODKA IN.

AND SOME CORN CHIPS, AND MAYBE SOME DIPS, NUTS, ASSORTED NIBBLY THINGS.**A CAULIFLOWER AND SOME BROCCOLI.** CUT INTO INDIVIDUAL FLORETS AND**THROWN IMMEDIATELY INTO THE GARBAGE.**

I FUCKING HATE THAT.

A PACK OF AMERICAN SPIRIT CIGARETTES. ACTUALLY, I KNOW THAT UNLESS YOU LIVE IN THE UNITED STATES YOU

WON'T BE ABLE TO FIND THESE. BUT THEY'RE FANTASTIC! THEY'RE MADE OF PURE, ORGANIC TOBACCO WITH NO

ADDITIVES. THAT'S BRILLIANT, ISN'T IT? THEY MUST BE REALLY GOOD FOR YOU. IN FACT, FUCK IT, I'M GOING TO START SMOKING AGAIN, FOR HEALTH REASONS....

LOTS & LOTS OF CLEAN ICE.

NOT ICE THAT A POLAR BEAR HAS BEEN STOOD ON, WITH ITS MUCKY FEET

AND THEN LOTS MORE FOR AFTER THE SHOW

PLASTIC CUPS, ASSORTED SIZES, SUITABLE FOR HOT AND COLD DRINKS

AT LEAST ONE SLEEVE OF 16oz SOLO, AND SOME LITTLE ONES.

12 LARGE BATH TOWELS

NOT FACE CLOTHS, TOWELS, NICE AND FRESHLY LAUNDERED TOO.

A COPY OF THE NEW YORK TIMES.

RECENT. IN FACT, TODAY'S WOULD BE NICE.

I THINK THAT'S ABOUT IT AS I SAY, YOU CAN ALWAYS TALK TO US IF YOU'VE GOT ANY QUESTIONS. TRY THIS.
